Meeting called to order at 7:02 P.M.

2) Roll Call & Verify Public Notice:

Present: Supervisor Lee Weis, Supervisor Bruce Becker, Chairman Terry Schaller, Supervisor Pat Post, and Supervisor Bob Wolfert.

Also present were 30 additional residents of the Town of Campbell.

Pursuant to law, written notice of this meeting was given to the press, published in the La Crosse Tribune and posted on the public bulletin boards.

3) Public Hearing:

A) Public Hearing on possible change in refuse and recycling services in the Town of Campbell.

Supervisor Wolfert stated that the reason for the public hearing is to discuss the proposals for a possible change in refuse and recycling services and to get resident feedback.

Residents gave feedback to members of the Town Board. Representatives from Harter's and Hilltopper's were also present to answer questions. Clerk Hawkins stated that all prices presented did not include a rebate from the waste hauler, however, all waste haulers are offering a 9% rebate. Clerk Hawkins also mentioned that all waste haulers proposed a 7 year or a 10 year contract option. All waste haulers are also allowing a period of time to exchange the size of the carts for each resident at some price. If a resident would like to purchase an additional cart directly from the waste hauler, that would also be an option for all proposals. Harter's is offering a Tuesday pick up and Hilltopper's would need a Thursday/Friday pick up. Richard's could continue on Thursdays. All proposals offer a one day pick up for recycling. The Town Board is looking to revise the way large items are picked up also. Possible revisions are a quarterly dumpster days, once a month pick up, or call into the hauler and pay.

By a show of hands, 17 residents voted for 65 gallon bins for both refuse and recycling. By a show of hands, 1 resident voted for a 65 gallon bin for refuse and a 95 gallon bin for recycling. By a show of hands, 13 residents voted for 95 gallon bins for both refuse and recycling.

Also by a show of hands, 23 residents voted to discontinue large item pick up in the current format by making it the financial responsibility of the homeowner. No resident was in favor of any other format at this time.
